THERE ARE SEVERAL WAYS TO USE THIS DOCUMENTARY TO ENCOURAGE YOUR COMMUNITY:

1 **LARGE LICENSE**

Use this if you are looking to show the film to more than 25 people. We will provide you with a downloadable link to the film as well as promotional materials to help spread the word for your event. Contact us for pricing and ways that we can make your event successful.

2 **BULK ORDER**

Use this option if you are wanting to buy more than 10 copies (digital or DVD) and we'll help make sure you get the best price possible. We can also help if you're a retailer, church bookstore, or conference looking to resell our products.

3 **INVITE THE FILMMAKERS**

Use this option if you desire either Steven (Director & Executive Producer) and/or Jerrod (Director of Photography, Editor, Producer) to attend your showing and/or your event as speakers. Please indicate if you would like one or both filmmakers to be there and let us know if the film needs to be modified in length to accommodate your event (e.g. 30 minute school chapel). Both filmmakers maintain very busy schedules, so please give at least a 60 day notice. There is a day-rate for each filmmaker as well as travel and lodging amenities that would need to be provided. Steven is based in Boise, ID and Jerrod is based in Phoenix, AZ - thus, those two cities are the most affordable options for speaking engagements.
